Detroit, MI 48239-4001

Dear Roger,

Thank you for inviting all of us at Philip Morris to Reading. It was an education touring the garage.

We were pleased to have had the opportunity to share our Marlboro racing promotions with everyone. I hope those present found it informative.

Bringing everyone together was another great idea! We plan on follow up meetings with both Mercedes and Mobil.

Thank you again.

Sincerely,

Ina W. Broeman
